

#### Student Services:

Our student services plan is an integral part of our BSSD program. Our trained and licensed staff consistently identify and employ services to meet all student needs. These services are communicated to parents on a regular basis and parents are encouraged to access these services. As students matriculate through the program, career information and exploration opportunities are implemented. Students are exposed to the world of work, college life, and other services via speakers, curriculum, guidance counselors, visitations, internships, etc.

#### Student Assistance Program:

The Student Assistance Program (SAP) is a program for the identification, intervention, and referral of adolescents who are believed to be at risk of suicide, show signs of extreme depression, or who are having school-related problems because of alcohol and/or drug use. Using a systematic process of referrals and general assignments, the teams determine which students are having problems and direct them to community organizations for help. The District complies with all aspects of the SAP requirements which includes training, meetings, and agency support.

#### Title I Services:

The BSSD offers Title I reading services to identified students on an annual basis. All guidelines are followed in relation to the identification of students and the implementation of services.

#### Extended Day Kindergarten:

The BSSA offers an extended day kindergarten program for the most needy of students as identified by the District process. Approximately 30 students are served in this program each year.

#### Before and After School Tutoring:

Tutoring services are offered to students in need of remediation throughout the school year. Remediation is offered by our own staff and offered both before and after school.

### Summer School:

A summer school program is offered within the school district for secondary students who have failed a course. The District is utilizing the Blended Schools online curriculum for the summer program which is monitored by district personnel both onsite and online.

### 21st Century Program:

An after school program for elementary and middle school hispanic students. Designed to provide academic support and social skill development.
