**LIONS
SERVICE AWARD**

APPLICATION

Definition: Young people who volunteer mature into adults who serve. Through the Lions Young Leaders in Service Awards, Lions Clubs encourage youth in the philosophy and habit of service to the community. This recognition opportunity benefits youth by developing life skills, providing an acknowledgement from an international association that can be used for college and job applications, and increasing visibility and awareness of Lions Clubs International and its various youth programs. The benefits to Lions include opportunities to share their love for service, build community relationships, engage young people to effect change, and invite youth to partner on hands-on projects.
