## ***PRINCIPAL'S MESSAGE***

As the first marking period comes to a close, please take a moment to check your child's report card and the grades they have received through our Sapphire Community Portal on the district website. Hopefully this is something that both you and your child do on a regular basis. Keep in mind, the report card only tells a part of the story of how your child is progressing. For this reason, we strongly recommend parents come in and meet with their child's teachers during our conference opportunities. Keeping on top of your child's progress is just as important at the high school, if not even more so, than it was in the elementary and middle school. The stakes of graduation and possibly going off to college, or some other type of higher education make high school grades vitally important. Please take the time to make that face to face connection with your child's teachers. I would like to personally invite each of our high school families to visit and spend time talking with your child's teacher(s) at the high school during our parent conference night. Please see below. Hope to see you there!

## ***PARENT CONFERENCES-REPORT CARD***

You should have received a notification about accessing your child's report card through our Sapphire Community Portal. The notification is also in this newsletter. If you haven't done so, we strongly encourage you to create your account (directions to do so are in the notification). Please contact Shelly Moore or Beth Farley in the high school office at 528-5127 if you need assistance. Report cards will only be printed for the students/families who have indicated they don't have Internet access. **Parent Conference Night will take place on Thursday, November 7th, from 1:00-6:30 p.m. and on Friday, November 8th from 1:00 - 3:00 p.m. We will again be using [www.myconferencetime.com/bshs](http://www.myconferencetime.com/bshs) to schedule parent/teacher conferences.**

## ***REPORT CARDS***

1st marking period report cards will be posted to the Sapphire Community Portal by the close of school on Wednesday, November 6th. We encourage you to print your child's report card and bring it with you to parent/teacher conferences. Should you desire to receive a hard copy of your child's report card, please contact the high school office. Anyone without a Community Portal account will automatically be mailed a copy of your child's report card.
