ADOPTED: March 14, 2006

REVISED:

106. CURRICULUM GUIDES/PLANNED INSTRUCTION	
1. Authority Title 22 Sec. 4.4 Pol. 107	Guides shall be prepared for all planned instruction adopted by the Board in order to direct and assist the professional staff toward the attainment of academic standards established for a course of study.
2. Guidelines	Curriculum shall be written, as appropriate to that planned instruction: <ol style="list-style-type: none">1. District Content Standards.2. Indicators.3. District Performance Tasks.4. Interdisciplinary Connections.5. Indicators Content Materials and Activities.6. Performance Task Content Materials and Activities.
3. Delegation of Responsibility	Curriculum guides and planned instruction shall be developed by faculty groups under the direction of the principal and Superintendent. Curriculum guides shall be regarded as an essential element in all subject areas. They shall be provided to all teachers and reviewed annually with appropriate staff members. Teachers shall be expected to follow the basic structure of content prescribed in the planned instruction, allowing for changes that may be required to meet the needs of the students in each class. A system of administrative review shall be implemented to ensure that guides are being followed by teaching staff members to the degree of conformity required.
