ADOPTED: March 14, 2006

**REVISED**:

|                                 | 206. ASSIGNMENT WITHIN SCHOOL   |
|---------------------------------|---|
| 1. Purpose                      | The Board directs that the assignment of students to classes shall be consistent with the educational needs and abilities of students and the best use of district resources.                                       |
| 2. Delegation of Responsibility | The Superintendent or designee shall assign incoming transfer students to grades and classes that afford each student the greatest likelihood of realizing his/her educational potential and academic goals.        |
|                                 | The building principal shall assign students in the school to appropriate grades, classes or groups, based on consideration of the needs and abilities of the student, as well as the administration of the school. |
