BERMUDIAN SPRINGS SCHOOL DISTRICT

SECTION: FINANCES

TITLE: INVESTMENT OF

DISTRICT FUNDS

ADOPTED: March 14, 2006

REVISED:

609. INVESTMENT OF DISTRICT FUNDS

1. Purpose

It shall be the policy of the Board to optimize its return through investment of cash balances in such a way as to minimize non-invested balances and to maximize return on investments. In order that the district can earn as much money as possible, it shall be the policy of the Board to maintain all school district funds in interest-bearing accounts.

The primary objectives of investment activities, in priority order, shall be:

Legality - All investments shall be made in accordance with applicable laws of Pennsylvania.

Safety - Safety of principal shall be of highest priority. Preservation of capital in the portfolio of investments shall be ensured through the mitigation of credit risk and interest rate risk.

Liquidity - Investments shall remain sufficiently liquid to meet all operating requirements that are reasonably anticipated. A fiscal year operations anticipated cash flow shall be developed so that investments can be made as early as possible, with maturities concurrent with anticipated cash demands.

Yield - Investments shall be made with the objective of attaining a market-average rate of return throughout the budgetary and economic cycles, taking into account the investment risk constraints and liquidity needs.

2. Authority SC 440.1, 621, 622, 623

All investments of the school district made by the Superintendent or designee shall be made in accordance with this policy and a Board approved investment program.

Funds to be invested shall include cash balances in the general fund, cafeteria fund, payroll fund, athletic fund, capital projects fund, and the various activities accounts.

3. Definitions

Short-term - any period twelve (12) months or less.

Long-term - any period exceeding forty-eight (48) months' duration.

609. INVESTMENT OF DISTRICT FUNDS - Pg. 2

Mid-range - any period between short-term and long-term.

Credit risk - the risk of loss of principal due to the failure of the security issue or backer of the issue.

Interest rate risk - the risk that the market value of securities will fall due to changes in general interest rates.

Investment program - the specifically enumerated and Board-approved investment strategy.

4. Delegation of Responsibility SC 440.1 The Board shall delegate to the Superintendent or designee the responsibility to manage the district's investment program, in accordance with written, Board-approved procedures for operation of the investment program.

The Superintendent or designee shall be authorized to invest district funds in certificates of deposit for a term not to exceed one (1) fiscal year. Investments of this nature that exceed the one-year limit may be authorized by the Board.

All investments placed without Board approval shall be invested with local banking institutions, or the Pennsylvania School District Liquid Asset Fund, including statewide pools. Other investments may be authorized only upon approval by the Board.

The Board may choose to participate in a cash management program, including statewide pools, that utilizes repurchase agreements as an investment vehicle. Such programs shall be subject to Board approval prior to the investment of any funds.

The assets of the various accounts may be combined for investment purposes. Proceeds from such investments shall be shared, based on the proration of the amount(s) invested.

Proper documentation shall be maintained by the district to prove ownership of invested assets.

An annual review of the investment program shall be prepared by the Superintendent or designee, based upon the anticipated cash flow of all district funds, i.e. general, capital reserve, bond, etc. The investment program shall be submitted to the Board no later than sixty (60) days after adoption of the annual budget.
