REVISED:

	701. FACILITIES PLANNING
1. Authority Title 22 Sec. 4.13 Pol. 100	The Board shall develop and maintain a Strategic Plan, as required by State Board of Education regulations. Involvement of the Board, staff, community, businesses and parents/guardians is an important part of this process. Facilities planning is a primary component of strategic planning.
2. Delegation of Responsibility	<p>In order to inform the Board of the district's future needs, the Superintendent or designee shall:</p> <ol style="list-style-type: none"> 1. Prepare a written description of existing physical facilities. 2. Report to the Board on the enrollment by grades during the school year. 3. Estimate each spring the number of students who will be enrolled in the district's schools in September of the year for which the estimate is made. 4. Prepare student population projections and compare the actual population figures to the previously projected figures to detect early any changes in population trends.
3. Guidelines SC 1351	Information gathered in the census shall include for each child the name and address of the parents/guardians; name and location of the school in which the child could be assigned; name and address of any employer of a child under eighteen (18); child's name, date of birth, age, sex, nationality, address; and other information the Board may require to operate the district efficiently and equitably.
SC 701, 704	When planning to enlarge or modify its facilities, the Board shall consider not only the number of students whose educational needs must be met, but also the physical requirements of the programs it deems best suited to meet those needs.
42 U.S.C. Sec. 12101 et seq	Each school building and site shall provide suitable accommodations to carry out the educational program, including provision for the handicapped/disabled, pursuant to law and regulations.
